

# GLPSS 2024-2025

The P S Senior Secondary School, which is associated with Great Lakes Institute of Management, has started its thirteenth batch of GLPSS 2024-25 classes. This is a certified course which is especially designed for our school students focusing on entrepreneurship and leadership skills. Eminent professors from different fields will design the curriculum and teach.

The classes will commence from this Saturday, June 22<sup>nd</sup> 2024 and will be held on Saturdays for 5 hours.

This program is mandatory for all commerce students in grade 11. In this academic year, the program covers a total of 100 hours of teaching, which includes 70 hours in school and 30 hours in Great Lakes campus.

We are planning to conclude the school's scheduled classes in December 2024, and the stay at Great Lakes Institute will be tentatively in April 2025.

The subjects covered in this program are listed below: (10 hours per subject)

1. Financial Literacy and Taxation
2. International Economics
3. Marketing
4. Leadership and Management Skills
5. Business Communication
6. Entrepreneurship and Innovation
7. ICT Skills
8. Financial Accounting
9. Business Ethics and Values
10. Capital Market

After completing the program, the students will receive certificates of participation mentioning their field of excellence, which adds value to their post-school opportunities.

Kindly ensure that your wards attend all the classes and complete the projects within the scheduled time.

We appreciate your cooperation in making this program a grand success.
