LITERARY FESTIVAL 2022

P.S. Senior Secondary School is organizing a Literary Festival from 04/07/2022 to 08/07/2022. The aim of this festival is to provide opportunities for students to listen and interact with stalwarts from different fields including Authors, Journalists, Artists and Public Speakers. We also propose to conduct Inter School and Intra-School debating competitions and similar activities that promote creativity, out of box thinking and communication skills. The festival will also include Panel Discussions, Theatre and other related events. Such programmes will foster listening, reading and speaking skills which is the need of the hour. We are looking for sponsors who can contribute meaningfully to the conduct of the programme. The programme will be bilingual in English and in Tamil.
