The Principal

13th August 2018

P.S.Senior Secondary School

Chennai - 90

Chennai - 600004

Respected Madam Prinicpal ,

Greetings from Aruna Mahesh , Mother of Prashant Mahesh (Former student) and Nishant Mahesh (XII A).

I wish to congratulate You, Madam, the Staff, Management and the Students of our School for a successful Annual day event that we witnessed on 10th August ,2018. As Always, it was a well showcased event .

The Business meet was an intense one with the wonderful Chief guest and guests of honor , all eminent people with an added delight of the presence of 'Swami Vivekananda' himself 😊.

Thank you for the display of the historic speech by the little boy. He was wonderful. Swami Bodhamayananda 's thought provoking speech was truly the need of the hour in the present day Scenario of our world. Big 'Take aways' for our students from his speech were the importance of Tolerance, Patience in what we do and not forgetting our History and culture. The Annual Report truly reflected the standard of our school when we hear about all the great achievements in the different fields apart from the Academics. Congratulations to all the proud Achievers. Special Wishes to the Long Service awardees with whom I have had the privilege of interacting as a parent for many years now. It was only such a fitting tribute to Smt.Bhagavathy Mam, one of the Awardees, when Sri.Jagannath, the distinguished alumni guest presented a tamil poem with his love for the language. It was evident he has had a great impact from the school from his learning days. The Wonderful gesture of our Correspondent honouring the new management by the spouses was the icing on the cake of the business meet.

The Cultural programme was a great aural - visual treat . The Orchestra group and the Dance group presented such professional performances . Special mention to the excellent Choreography of the dance event. The two plays were fantastic with all the professional sets and it is always a goose bumps moment when we hear the P.S.Anthem 'Vaazhgave' rendered by the wonderful school Choir. I would like to place my appreciation for the participants especially of the plays as they nicely managed their performances even though there were technical glitches now and then from the Sounds. This is exactly what the students benefit in terms of learning to adapt to any conditions. Great dedication, indeed,from everyone on and off stage.

I have been a regular attendee in the annual day programmes for the past ten years or so and this was the last Annual day event as an active P.S. Parent for me with Nishant in his senior school year and it was a memorable one especially with the novel theme as 'Mother' . I felt a proud mother that day for sure with our both the sons belonging to this esteemed institution. Every year I have been finding the business meet becoming longer and I realized it is because of the longer

Annual day report with the list of achievements increasing every year 😊 Now that sure is a very good sign for the school as to where it is heading 😊

This may be coming a bit late (with the event happening three days ago but definitely better late than never 😊).

I once again congratulate you , staff ,management and the students and Wishing more and more accolades for the school in the years to come.

With Regards,
Aruna mahesh
